

THOUSANDS TO PAY GALBRAITH HONOR AT HIS FUNERAL

Many War Comrades to Attend—Burial Likely to Be in Arlington.

CINCINNATI, June 10.—The funeral of Col. Frederick W. Galbraith Jr., Commander of the American Legion, who was killed in an automobile accident in Indianapolis, will be held tomorrow afternoon in Music Hall, the largest auditorium in the city. This was decided upon to-day. It is considered likely that burial will be in Arlington Cemetery, Washington.

It is expected the funeral will be the largest ever held in Cincinnati. The entire 14th U. S. Infantry, troops from Fort Thomas, Ky., various service men's organizations, and all the civic clubs in which Col. Galbraith was a leader, will participate. Mrs. Galbraith expressed the desire to be allowed to remain alone with the body all of to-day. Tomorrow morning it will be taken to Memorial Hall, where it will lie in state until the hour for the funeral. The body of Col. Galbraith arrived here last night from Indianapolis. It was accompanied by a soldier escort and a large number of friends and several relatives. A full company of soldiers from Fort Thomas, sent to Cincinnati by Col. Peter Traub, Com-

mandant, and Mayor John Galvin of this city and other city officials met the body at the railroad station. Numerous soldiers, many of whom served in Col. Galbraith's command overseas, and fully 3,000 civilians also were assembled at the station to pay respect to the dead.

Henry Ryan, director of Americanization work of the Legion, who was also injured, was reported improving.

GAS IMPERILS FAMILY.

Man's Timely Awakening Saves Wife and Daughter From Death. Richard Strall, twenty-six, of No. 655 Rockaway Avenue, Brownsville, awoke early to-day to find the room filled with gas and his wife, Minnie, and nine-year-old daughter, Hattie, partly overcome. He crawled to a window and called Policeman Ward, who was passing, and an ambulance came from St. Mary's Hospital. All were revived and remained at home. The gas came from a defective fixture.

Simmons an Assistant District Attorney. Acting District Attorney Job H. Banton to-day announced the temporary appointment of Jerome Simmons as an Assistant District Attorney. Mr. Simmons formerly was with the Department of Justice and specialized in the prosecution of men indicted for oil frauds. He will serve until the return of Assistant James E. Smith, who is on leave without pay, working for the Meyer Investigating Committee.

TRIES TO FORCE ANTI-BEER BILL

Voistead Insists It Must be Passed "Without Noise" and Unchanged.

WASHINGTON, June 10.—Right of way for consideration in the House

of his bill to prevent the sale of beer to the sick was asked of the House Rules Committee to-day by Chairman Voistead of the Judiciary Committee, who declared immediate action was necessary to prevent the free flow of beer. He insisted that the anti-beer provision and other tightening up features should be put through without noise. Committee men said they saw no need of emergency legislation, unless

related to the beer section. Mr. Voistead had asked for a rule to prevent amendments to the bill in the House, unless offered by himself, on the ground that it would open the whole Prohibition question and lead to weeks of wrangling.
